Dear Posey:

In looking over the schedule, I see The Eagles in Baltimore August 27th and The Grays in Washington. Both teams are in Newark the following Sunday. I believe we could make some money the week between by playing the following Cities:

Mon. Aug. 28th----Norfolk, Va.
Tues. Aug. 29th---Rocky Mount, N. C.
Wed Wed. Aug. 30th---Greenboro
Thurs. Aug. 31st--Winston-Salem
Fri. Sept. 1st----Richmond.

I have a man in each of these Cities but Rocky Mount, and I though Buck would know some one there.

We got \$260.00 a piece in Winston-Salem after all expenses were paid with The Black Yankees, and I had a letter from the man there asking could The Eagles and Grays come down. Also had a letter from Greensboro asking for us.

We are scheduled in Newark Thursday, the 31st with The Elites, but I am sure they won't object to the change as we have the four team doubleheader here the following Sunday.

If you are interested in this trip answer me at once, as I am leaving for Chicago around the first of the month, and I would like to get things started before I go. I will also have to write for the Parks. So hurry. If we make the trip get the name of some one in Rocky Mount from Buck to handle the cards and publicity.

Yours truly,
